

5 Star Award for GSCL Limestone Mines

The Morasa–Vavdi Limestone Mine of Gujarat Sidhee Cement Limited (GSCL) has been accorded the ‘Five Star Rating’ for Sustainable Development for the year “2019-20”. The award ceremony was organized on November 23, 2021 during the 5th National Conclave on Mines & Minerals at Ashoka Hotel, New Delhi.

Mr. Dinesh Randad, Director (Works) and Mr. Rajeev Ranjan Singh, General Manager (Mines), received the award on behalf of GSCL from Mr. Pralhad Joshi, the Union Minister for Coal, Mines and Parliamentary Affairs, Government of India.

Expressing happiness on receiving the award, Mr. Randad said, “Sustainability is not new to GSCL. It is seeded in our principles and values. Sustainable mining demands the judicious use of technology at each stage of the mine's life. Our current focus is on digitalization and smart solutions aimed at creating a sustainable future for our stakeholders. This award is a testimony to our sustainable mining practices, and it further reinforces our commitment towards sustainable development.”
